	right headlight range control motor 18. Twin filament bulb for left headlight, left side light bulb, front left turn signal bulb, left	50
	headlight range control motor 19. Hazard warning light switch, hazard warning light relay 20. Handbrake warning switch, handbrake warning lamp control unit, luggage compartment light, left 21. Control unit with display in dash panel insert. warning lamps	51 52 53

	22. Fuel gauge sender, coolant temperature sender, control unit with display in dash panel insert	54
	23. Immobilizer reading coil, oil pressure switch, ambient temperature sensor, speedometer sender	55
	24. ABS with EDL control unit, control unit with display in dash panel insert	56
	25. Belt switch (driver s side), brake fluid level warning contact, brake lining/pad wear sender, front left	57
	26. Fresh air blower switch, power steering control unit, fresh air blower with overheating fuse	58
	series resistor	
000	27. Heated rear window switch, fresh air/air recirculating flap switch, heated rear window relay	59
003	s - 1.6 litre FSI engine (81 kW - Motronic - 4-cylinder), engine code BAD 1. 1.6 litre FSI engine (81 kW - Motronic - 4-cylinder), engine code BAD	60-74 60-62
	2. Battery, starter, alternator, ignition/starter switch, fuses on fuse box	63
	3. Fuel pump relay, Motronic control unit, Motronic current supply relay, air mass meter fuse,	64
	engine control unit fuse	
	4. Brake light switch, clutch pedal switch, Motronic control unit, injectors	65 66
	5. Inlet camshaft timing adjustment valve -1-, fuel pressure regulating valve, fuel metering valve, intake manifold flap air flow control valve	66
	6. Air mass meter, exhaust gas temperature sender -1-, brake servo pressure sensor, Motronic control	67
	unit	
	7. NOx sender, Motronic control unit, NOx sensor control unit	68 69
	8. Heater/heat output switch, lambda probe, activated charcoal filter system solenoid valve 1 (pulsed), lambda probe heater	09
	9. Cruise control system switch, accelerator pedal position senders, Motronic control unit, throttle	70
	valve module	
	10. Coolant temperature senders, engine speed sender, Hall sender, knock sensor I, intake manifold pressure sender	71
	11. Thermo-switch for coolant circulation, exhaust gas recirculation potentiometer, fuel pressure	72
	sender, intake manifold flap potentiometer	
	12. Motronic control unit, ignition coils with output stage, spark plug connector, spark plugs	73
	13. Oil pressure switch, fuel pump (pre-supply pump), oil level/oil temperature sender, control unit with display in dash panel insert	74
004	- 1.4 litre fuel injection engine (55 kW - Magneti Marelli - 4-cylinder), engine code BBY	75-86
	1. 1.4 litre fuel injection engine (55 kW - Magneti Marelli - 4-cylinder), engine code BBY	75-76
	2. Battery, starter, alternator, ignition/starter switch, fuses on fuse box	77 70
	 Fuel pump relay, airbag control unit, 4LV (injection system) control unit, fuses on fuse box Lambda probe, lambda probe downstream of catalytic converter, injectors, activated charcoal 	78 79
	filter system solenoid valve 1 (pulsed)	
	5. Exhaust gas recirculation potentiometer, throttle valve module, heater element (crankcase	80
	breather) 6. Cruise control system switch, brake light switch, accelerator pedal position senders, 4LV	81
	(injection system) control unit	01
	7. Coolant temperature senders, engine speed sender, Hall sender, knock sensor, intake manifold	82
	pressure sender	00
	8. 4LV (injection system) control unit, ignition coils with output stage, spark plug connector, spark plugs	83
	9. Air conditioning system/Climatronic operating and display unit, clutch pedal switch, 4LV	84
	(injection system) control unit	
	10. Oil pressure switch, fuel pump (pre-supply pump), oil level/oil temperature sender, control unit with display in dash panel insert	85
	11. Oil pressure switch, fuel pump (pre-supply pump), oil level/oil temperature sender, control unit	86
	with display in dash panel insert	
005	5 - Radiator fan control - 350W	87-90
	 Radiator fan control - 350W Battery, ignition/starter switch, radiator fan control unit, radiator fan control unit fuse 	87-88 89
	3. Air conditioning system/Climatronic operating and display unit, Motronic control unit, radiator	90
	fan control unit, radiator fan	
006	5 - 1.2 litre unit injector, TDI engine (45 kW - 3-cylinder), engine code ANY 1. 1.2 litre unit injector, TDI engine (45 kW - 3-cylinder), engine code ANY	91-104 91-93
	2. Battery, starter, alternator, ignition/starter switch	94
	3. Additional heater fuse, fuses on fuse box	95
	4. Relay for glow plugs, diesel direct injection system control unit, terminal 30 voltage supply	96
	relay, glow plugs - (engine) 5. Kick-down switch, idling switch, coolant temperature senders, accelerator pedal position sender,	97
	diesel direct injection system control unit	٠.
	6. Brake light switch, diesel direct injection system control unit, heater element (crankcase	98
	breather), unit injector solenoid valves 7. Engine speed sender, fuel temperature sender, diesel direct injection system control unit.	99
	7. Ename escou conder, ruoi temperature sender, diesei direct illicottott system control dilit.	55

	electronic manual gearbox control unit 8. Hall sender, exhaust gas recirculation valve, charge pressure control solenoid valve, throttle	100
	butterfly valve, engine control unit fuse	100
	9. Air mass meter, intake manifold pressure sender, intake manifold temperature sender, diesel	101
	direct injection system control unit 10. Air conditioning system/Climatronic operating and display unit, airbag control unit, diesel direct injection system control unit	102
	11. Radiator fan control unit, low heat output relay, high heat output relay, additional heating heater element	103
	12. Oil pressure switch, speedometer sender, oil level/oil temperature sender, control unit with display in dash panel insert	104
007	7 - 1.4 litre unit injector, TDI engine (55 kW - 3-cylinder), engine code AMF	105-118
	1. 1.4 litre unit injector, TDI engine (55 kW - 3-cylinder), engine code AMF	105-106
	Battery, starter, alternator, ignition/starter switch Additional heater fuse, fuses on fuse box	107 108
	4. Relay for glow plugs, diesel direct injection system control unit, terminal 30 voltage supply	109
	relay, glow plugs - (engine)	110
	5. Kick-down switch, idling switch, coolant temperature senders, accelerator pedal position sender, diesel direct injection system control unit	110
	6. Cruise control system switch, fuel temperature sender, airbag control unit, diesel direct injection system control unit	111
	7. Diesel direct injection system control unit, heater element (crankcase breather), unit injector solenoid valves	112
	8. Air mass meter, intake manifold pressure sender, intake manifold temperature sender, diesel direct injection system control unit	113
	9. Clutch pedal switch, Hall sender, exhaust gas recirculation valve, charge pressure control solenoid valve, throttle butterfly valve, engine control unit fuse	114
	10. Air conditioning system/Climatronic operating and display unit, additional heating button (ECON), brake light switch, engine speed sender	115
	11. Heater control unit, glow plug with flame monitor, combustion air blower, metering pump	116
	12. Low heat output relay, high heat output relay, additional air heater control unit, additional	117
	heating heater element 13. Oil pressure switch, oil level/oil temperature sender, control unit with display in dash panel	118

	1. 1.6 litre FSI engine (81 kW - Motronic - 4-cylinder), engine code BAD	401-403
	 Battery, starter, alternator, ignition/starter switch, fuses on fuse box Fuel pump relay, Motronic control unit, Motronic current supply relay, air mass meter fuse, engine control unit fuse 	404 405
	4. Brake light switch, clutch pedal switch, Motronic control unit, injectors5. Inlet camshaft timing adjustment valve -1-, fuel pressure regulating valve, fuel metering valve,	406 407
	intake manifold flap air flow control valve 6. Air mass meter, exhaust gas temperature sender -1-, brake servo pressure sensor, Motronic control	408
	unit 7. NOx sender, Motronic control unit, NOx sensor control unit	409
	8. Heater/heat output switch, lambda probe, activated charcoal filter system solenoid valve 1 (pulsed), lambda probe heater	410
	9. Cruise control system switch, accelerator pedal position senders, Motronic control unit, throttle valve module	411
	10. Coolant temperature senders, engine speed sender, Hall sender, knock sensor I, intake manifold pressure sender	412
	11. Thermo-switch for coolant circulation, exhaust gas recirculation potentiometer, fuel pressure sender, intake manifold flap potentiometer	413
	12. Motronic control unit, ignition coils with output stage, spark plug connector, spark plugs 13. Oil pressure switch, fuel pump (pre-supply pump), oil level/oil temperature sender, control unit with display in dash panel insert	414 415
042	2 - Radiator fan control - 350W 1. Radiator fan control - 350W	416-419 416-417
	2. Battery, ignition/starter switch, radiator fan control unit, radiator fan control unit fuse 3. Air conditioning system/Climatronic operating and display unit, Motronic control unit, radiator	418 419
	fan control unit, radiator fan	413
043	- Radiator fan control - 60W/100W (without air conditioner)	420-422
	Radiator fan control - 60W/100W (without air conditioner)	420-421
	2. Battery, ignition/starter switch, radiator fan thermo-switches, radiator fan	422
044	- Radiator fan control - 350W (with air conditioner)	423-426
	1. Radiator fan control - 350W (with air conditioner)	423-424
	2. Battery, radiator fan control unit, radiator fan control unit fuse, radiator fan	425
	 Air conditioning system/Climatronic operating and display unit, radiator fan thermo-switches, radiator fan control unit 	426
045	- Convenience systems	427-444
U- 1 U	Convenience systems Convenience systems	427-444
	Battery, electric window single fuse	430
	3. Interior monitor switch, tank filler flap remote release switch, central locking and anti-theft	431
	alarm system aerial	
	4. Bonnet contact switch, anti-theft alarm ultra-sonic sensor, control unit with display in dash panel insert, convenience system central control unit	432
	5. Glass breakage sensor - rear window. anti-theft alarm system horn. hazard warning light relav.	433

airbag control unit, convenience system central control unit 6. Convenience system central control unit, front interior light, reading light - front passenger s side, left luggage compartment light, rear interior light	434
7. Handbrake warning switch, rear lid contact switch, vanity mirror light bulb, rear lid release motor	435
8. Rear left door contact switch, rear left central locking lock unit (without rear electric windows), convenience system central control unit	436
9. Rear right door contact switch, rear right central locking lock unit (without rear electric windows), convenience system central control unit	437
10. Rear electric window isolation switch, front electric window switches, rear electric window switches, door control unit, driver s side	438
11. Door contact switch - driver s side, central locking lock unit - driver s side, door control unit - driver s side	439
 Mirror adjustment switch, interior locking switch - driver s side, heated exterior mirror - driver s side 	440
 Door contact switch - front passenger s side, central locking lock unit - front passenger s side, door control unit - front passenger s side 	441
14. Electric window switch in front passenger s door, mirror adjustment motor - front passenger s side, heated exterior mirror - front passenger s side	442
15. Rear left electric window switch (in door), rear left central locking lock unit, rear left door control unit	443
16. Rear right electric window switch (in door), rear right central locking lock unit, rear right door control unit	444
046 - Airbags for driver and front passenger with belt tensioners and side airbags	445-450
Airbags for driver and front passenger with belt tensioners and side airbags	445-446
Airbag coil connector/return spring with slip ring, airbag igniter - driver's side, airbag igniter 1 - front passenger's side, belt tensioner igniter -1 driver's side	447
 3. Airbag disabling key switch - front passenger's side, airbag control unit, curtain airbag igniter - driver's side, curtain airbag igniter - front passenger's side 4. Side airbag crash sensor - driver's side, side airbag crash sensor - front passenger's side, side 	448 449
airbag igniter - driver's side, side airbag igniter - front passenger's side 5. Hazard warning light relay, Motronic control unit, diesel direct injection system control unit,	450
4LV (injection system) control unit, convenience system central control unit 047 - CAN bus wires	451-458
1. CAN bus wires	451
Motronic control unit, diesel direct injection system control unit, electronic manual gearbox control unit, 4LV (injection system) control unit	452
3. Steering angle sender, ABS with EDL control unit, diesel direct injection system control unit, power steering control unit	453
4. Control unit with display in dash panel insert	454
5. Air conditioning system/Climatronic operating and display unit, door control unit - driver's side, door control unit - front passenger's side, rear left door control unit	455
6. Convenience system central control unit, parking aid control unit, radio	456
7. Navigation system with CD drive control unit, multi-function steering wheel control unit,	457
telephone/telematics control unit 8. Navigation operating electronics control unit, navigation/TV tuner, navigation interface	458
048 - Driver information system	459-464
 Driver information system Ignition/starter switch, bulb check warning unit, twin filament bulb for left headlight, right headlight range control motor 	459-460 461
3. Lighting switch, right tail light bulb, left tail light bulb, left brake light bulb, right brake light bulb	462
4. Brake light switch, bulb check warning unit, right side light bulb, trailer socket	463
Function selection switch, washer fluid warning contact, control unit with display in dash panel insert	464
049 - Air conditioner 1. Air conditioner	465-473 465-466
2. Ignition/starter switch, X contact relief relay3. Air conditioning system/Climatronic operating and display unit, fresh air blower control unit,	467 468
air conditioning system compressor regulating valve 4. Temperature flap control motor potentiometer, central flap control motor potentiometer, defroster	469
flap control motor potentiometer 5. Fresh air intake duct temperature sensor, sunlight penetration photosensor, evaporator out-flow	470
temperature sender 6. Air conditioning system/Climatronic operating and display unit, high pressure sender, heated rear	471
window	

7. Radiator fan control unit, radiator fan control unit fuse, radiator fan	472
8. Radiator fan thermo-switches, Motronic control unit, radiator fan control unit	473
050 - Air conditioner for 1.2 litre TDI engine, engine code ANY	474-482
Air conditioner for 1.2 litre TDI engine, engine code ANY	474-475
2. Ignition/starter switch, X contact relief relay, consumer switch-off relay	476
3. Starter inhibitor and reversing light relay, electronic manual gearbox control unit, voltage	477
stabiliser	
4. Air conditioning system/Climatronic operating and display unit, fresh air blower control unit,	478
fresh air blower	
5. Air conditioning system/Climatronic operating and display unit, control unit with display in dash	479
panel insert	
6. Temperature flap control motor potentiometer, central flap control motor potentiometer, defroster	480
flap control motor potentiometer	
7. High pressure sender, fresh air intake duct temperature sensor, sunlight penetration photosensor,	481
evaporator out-flow temperature sender	
8. Radiator fan thermo-switches, radiator fan control unit, radiator fan control unit fuse, radiator	482
fan	
051 - Daytime driving lights	483-489
Daytime driving lights	483-484
2. Ignition/starter switch, X contact relief relay	485
3. Lighting switch, control unit with display in dash panel insert	486
4. Headlight dipper/flasher switch, switches and instruments light regulator, headlight range	487
control adjuster	400
5. Bulb check warning unit, twin filament bulb for right headlight, right tail light bulb, right	488
side light bulb	400
6. Bulb check warning unit, twin filament bulb for left headlight, left side light bulb, left tail	489
light bulb	400 504
052 - 1.4 litre unit injector, TDI engine (66 kW - 3-cylinder), engine code ATL	490-501
1. 1.4 litre unit injector, TDI engine (66 kW - 3-cylinder), engine code ATL	490-491
2. Battery, starter, alternator, ignition/starter switch	492
3. Automatic glow period control unit, diesel direct injection system control unit, terminal 30	493
voltage supply relay, glow plug 1	494
 Kick-down switch, idling switch, coolant temperature senders, accelerator pedal position sender, diesel direct injection system control unit 	494
5. Cruise control system switch, fuel temperature sender, airbag control unit, diesel direct	495
injection system control unit	493
6. Diesel direct injection system control unit, heater element (crankcase breather), unit injector	496
solenoid valves	430
7. Air mass meter, intake manifold pressure sender, intake manifold temperature sender, diesel	497
direct injection system control unit	401
8. Clutch pedal switch, Hall sender, exhaust gas recirculation valve, charge pressure control	498
solenoid valve, intake manifold flap motor	
9. Air conditioning system/Climatronic operating and display unit, brake light switch, engine speed	499
sender	
10. Control unit with display in dash panel insert, radiator fan control unit, additional air heater	500
control unit	
11. Oil pressure switch, oil level/oil temperature sender, control unit with display in dash panel	501
insert	
053 - Electric lumbar support adjustment	502-503
Electric lumbar support adjustment	502
2. Driver s seat lumbar support adjustment switch, front passenger s seat lumbar support adjustment	503
switch, seat adjustment fuse	
054 - Seat heating	504-507
1. Seat heating	504
2. Ignition/starter switch, fuses	505
3. Heated driver s seat regulator, driver s seat temperature sensor, heated driver s seat cushion,	506
heated driver s seat backrest, driver s seat lateral support heater	
4. Heated front passenger s seat regulator, front passenger s seat temperature sensor, heated front	507
passenger s seat cushion, heated front passenger s seat backrest, front passenger s seat lateral	
support heater	500 :
