

001 - Volksiebus, 1.8L 70kw carburettor engine, 4 - speed manual gearbox, from VIN No: 25ZTU002010, from april 1996	1-20
1. Volksiebus, 1.8L 70kw carburettor engine, 4 - speed manual gearbox, from VIN No: 25ZTU002010, from april 1996	1
2. Battery, starter, alternator	2
3. Ignition system	3
4. Dash panel insert (coolant temp/shortage warning light, coolant temperature gauge, fuel gauge, 10 volt regulator), fuel gauge damper module, fuel gauge sender, coolant temperature gauge sender and control module	4
5. Dash panel insert (warning lamp and illumination)	5
6. Dash panel insert (oil pressure warning light, oil pressure warning control module), oil pressure switches	6
7. Lighting switch	7
8. Left and rear light clusters (SBBR lights), brake light switch, and reverse light switch	8
9. Turn signal switch, emergency light switch	9
10. Headlights and park lights	10
11. Headlight dipper/flasher switch, number plate lights	11
12. Ignition/starter switch, alarm/immobilizer control system, fuel gauge sender	12
13. Horn, choke warning light and handbrake switch, brake fluid level switch, dual brake/handbrake warning light	13
14. Interior light, glove box light, door switches	14
15. Connection for the Panasonic R30-F radio / tape system	15
16. Fresh air blower system	16
17. Cigarette lighter	17
18. Windscreen wiper and washer system	18
19. Radiator fan	19
20. Panasonic R30-f radio / tape player, front speakers, windscreen aerial and amplifier	20
002 - Volksiebus, 2.3L 90kw Bosch Motronic engine, 4 - speed manual gearbox, from VIN No: 25TU003207, from april 1996	21-46
1. Volksiebus, 2.3L 90kw Bosch Motronic engine, 4 - speed manual gearbox, from VIN No: 25TU003207, from april 1996	21
2. Battery, starter, alternator	22
3. Ignition system, Bosch motronic engine management module, throttle potentiometer, air pressure sensor, central injector valve, air control valve	23
4. Bosch motronic engine management module, fuel pump, fuel pump relay, air temperature sensor, main relay, diagnostic connector for VAG 1551	24
5. Coolant circulation pump, switch and relay, switch unit for coolant shortage/coolant temperature, coolant level switch	25
6. Dash panel insert (oil pressure warning light, oil pressure warning control module, rev counter), oil pressure switches	26
7. Dash panel insert (coolant temp/shortage warning light, coolant temperature gauge, fuel gauge, 10 volt regulator, digital clock, instrumentation illumination), fuel gauge damper module	27
8. Ignition/starter switch, K-line immobilizer control system, fuel gauge sender	28
9. Lighting switch	29
10. Left and right rear light clusters (SBBR lights), brake light switch, reverse light switch	30
11. Turn signal switch, emergency light switch	31
12. Headlights, main beam headlights, park lights	32
13. Headlight dipper/flasher switch, number plate lights	33
14. Horn, handbrake switch, brake fluid level switch, dual brake/handbrake warning light	34
15. Driver's side interior light, glove box light, front door switches	35
16. Rear interior light and right hand side interior light	36
17. Panasonic RD 45 radio/tape player, front speakers, rear mid-range speakers, rear tweeters, windscreen aerial and amplifier	37
18. Panasonic R 30 F radio / tape player, front speakers, rear hanging speakers, windscreen aerial and amplifier (without air conditioner)	38
19. Cigar lighter	39
20. Windscreen wiper and washer system	40
21. Fresh air blower system	41
22. Radiator fan (without air conditioner)	42
23. Radiator fan (with air conditioner)	43
24. Air conditioner (evaporator) blower motor system	44
25. A/c control switch, evaporator temperature control module, evaporator blower relay, a/c pressure switch, a/c control relay	45
26. Air conditioner magnetic clutch, air conditioner cut-off control module, air conditioner delay relay, ambient temperature switch	46
004 - Caravelle. 2.6L 100kw Bosch Motronic engine. 5 - speed manual gearbox. from VIN No:	47-76

AAAZZZ25ZTU000688, from april 1996

1. Caravelle, 2.6L 100kw Bosch Motronic engine, 5 - speed manual gearbox, from VIN No: AAAZZZ25ZTU000688, from april 1996	47
2. Battery, starter, alternator	48
3. Ignition system, Bosch motronic engine management module, throttle potentiometer, air pressure sensor, central injector valve, air control valve	49
4. Bosch motronic engine management module, fuel pump, fuel pump relay, air temperature sensor, main relay, diagnostic connector for VAG 1551	50
5. Coolant circulation pump, switch and relay, switch unit for coolant shortage/coolant temperature, coolant level switch	51
6. Dash panel insert (oil pressure warning light, oil pressure warning control module, rev counter), oil pressure switches	52
7. Dash panel insert (coolant temp/shortage warning light, coolant temperature gauge, fuel gauge, 10 volt regulator, digital clock, instrumentation illumination), fuel gauge damper module	53
8. Ignition/starter switch, K-line alarm/immobilizer control system, fuel gauge sender	54
9. Alarm / K-line immobilizer control system	55
10. Lighting switch	56
11. Left and right rear light clusters (SBBR lights), brake light switch, reverse light switch	57
12. Turn signal switch, emergency light switch	58
13. Headlights, main beam headlights, park lights	59
14. Headlight dipper/flasher switch, number plate lights	60
15. Horn, handbrake switch, brake fluid level switch, dual brake/handbrake warning light	61
16. Interior light delay module, driver's side interior light, vanity mirror light, glove box light, front door switches	62
17. Passenger side interior light, rear interior light, step-light, tailgate contact switch, sliding door contact switch, blocking diodes	63
18. Panasonic RD 45 radio/tape player, front speakers, rear mid-range speakers, rear tweeters, windscreen aerial and amplifier	64
19. Heated rear window, cigar lighter	65
20. Windscreen wiper and washer system	66
21. Rear windscreen wiper and washer system	67
22. Central locking system - front doors	68
23. Central locking system - sliding door and tailgate	69
24. Fresh air blower system	70
25. Electric windows	71
26. Electrically adjustable and heated outside mirrors	72
27. Radiator fan	73
28. Air conditioner (evaporator) blower motor system	74
29. A/c control switch, evaporator temperature control module, evaporator blower relay, a/c pressure switch, a/c control relay	75
30. Air conditioner magnetic clutch, air conditioner cut-off control module, air conditioner delay relay, ambient temperature switch	76
